

The Cherokee Word for Water In the Media

What Influencers Are Saying:

In the words of (*Academy Award winning Pixar producer*) Darla Anderson, “*The Cherokee Word for Water* has the same kind of elements of a Pixar film. It has a compelling story and a world not that many people know about. It’s about how a community fought against everything to control their own destiny.”

“This film is about everyday people doing what they think is impossible”
- Charlie Soap

What the Press Is Saying:

The Tulsa World said it “shows pivotal moment in Tribal’s history”.

“*The Cherokee Word For Water* is a heartwarming movie with characters that draw you in. The fact that this film is based on a true story makes the film's message of "community" even more powerful. I would recommend this film for all ages!”
